Addresses

(only show in Exported Spread Sheet)

On the bottom left Click on

An Excel spreadsheet will download, and you will see columns with info:

Column C “Club Name”
Column E “Club Address”
Column K “Name of the City”

Column J “Area/Cluster”
this is helpful if you want to sort/group the Clubs differently.

Column N “Total” (Total Members)

1 The total amount of people (records) in YMMS for your Clubs.

2 Use the Search on the top right if you want to find a particular Club.

3 Click on the name of the column if you wish to sort.

4 Totals by Club.
